BOOBY BLONDE POMS ARE

Sisters-in-raw

FROM darkest Essex, a medieval encampment just norf of Lunnin, come Bonnie and Melody, a Pommy sister act to make your HAIRS stand on end.

The naked siblings got us dribbling when they were Homies back in #746 and now they've re-fucking-turned to wave their delicious bits at us in an exclusive pictorial shot on horny Sydney Harbour.

While Mel and Bonnie's wee lips and UGGERS were being captured by our twisted lenswoman, we asked them to tell us about their rooting habits and map out for us the quickest way to their PARTS.

Turn the page for the full ROOT-A-POM story…

A kangaroo ate their clothes when they went to Dubbo zoo.

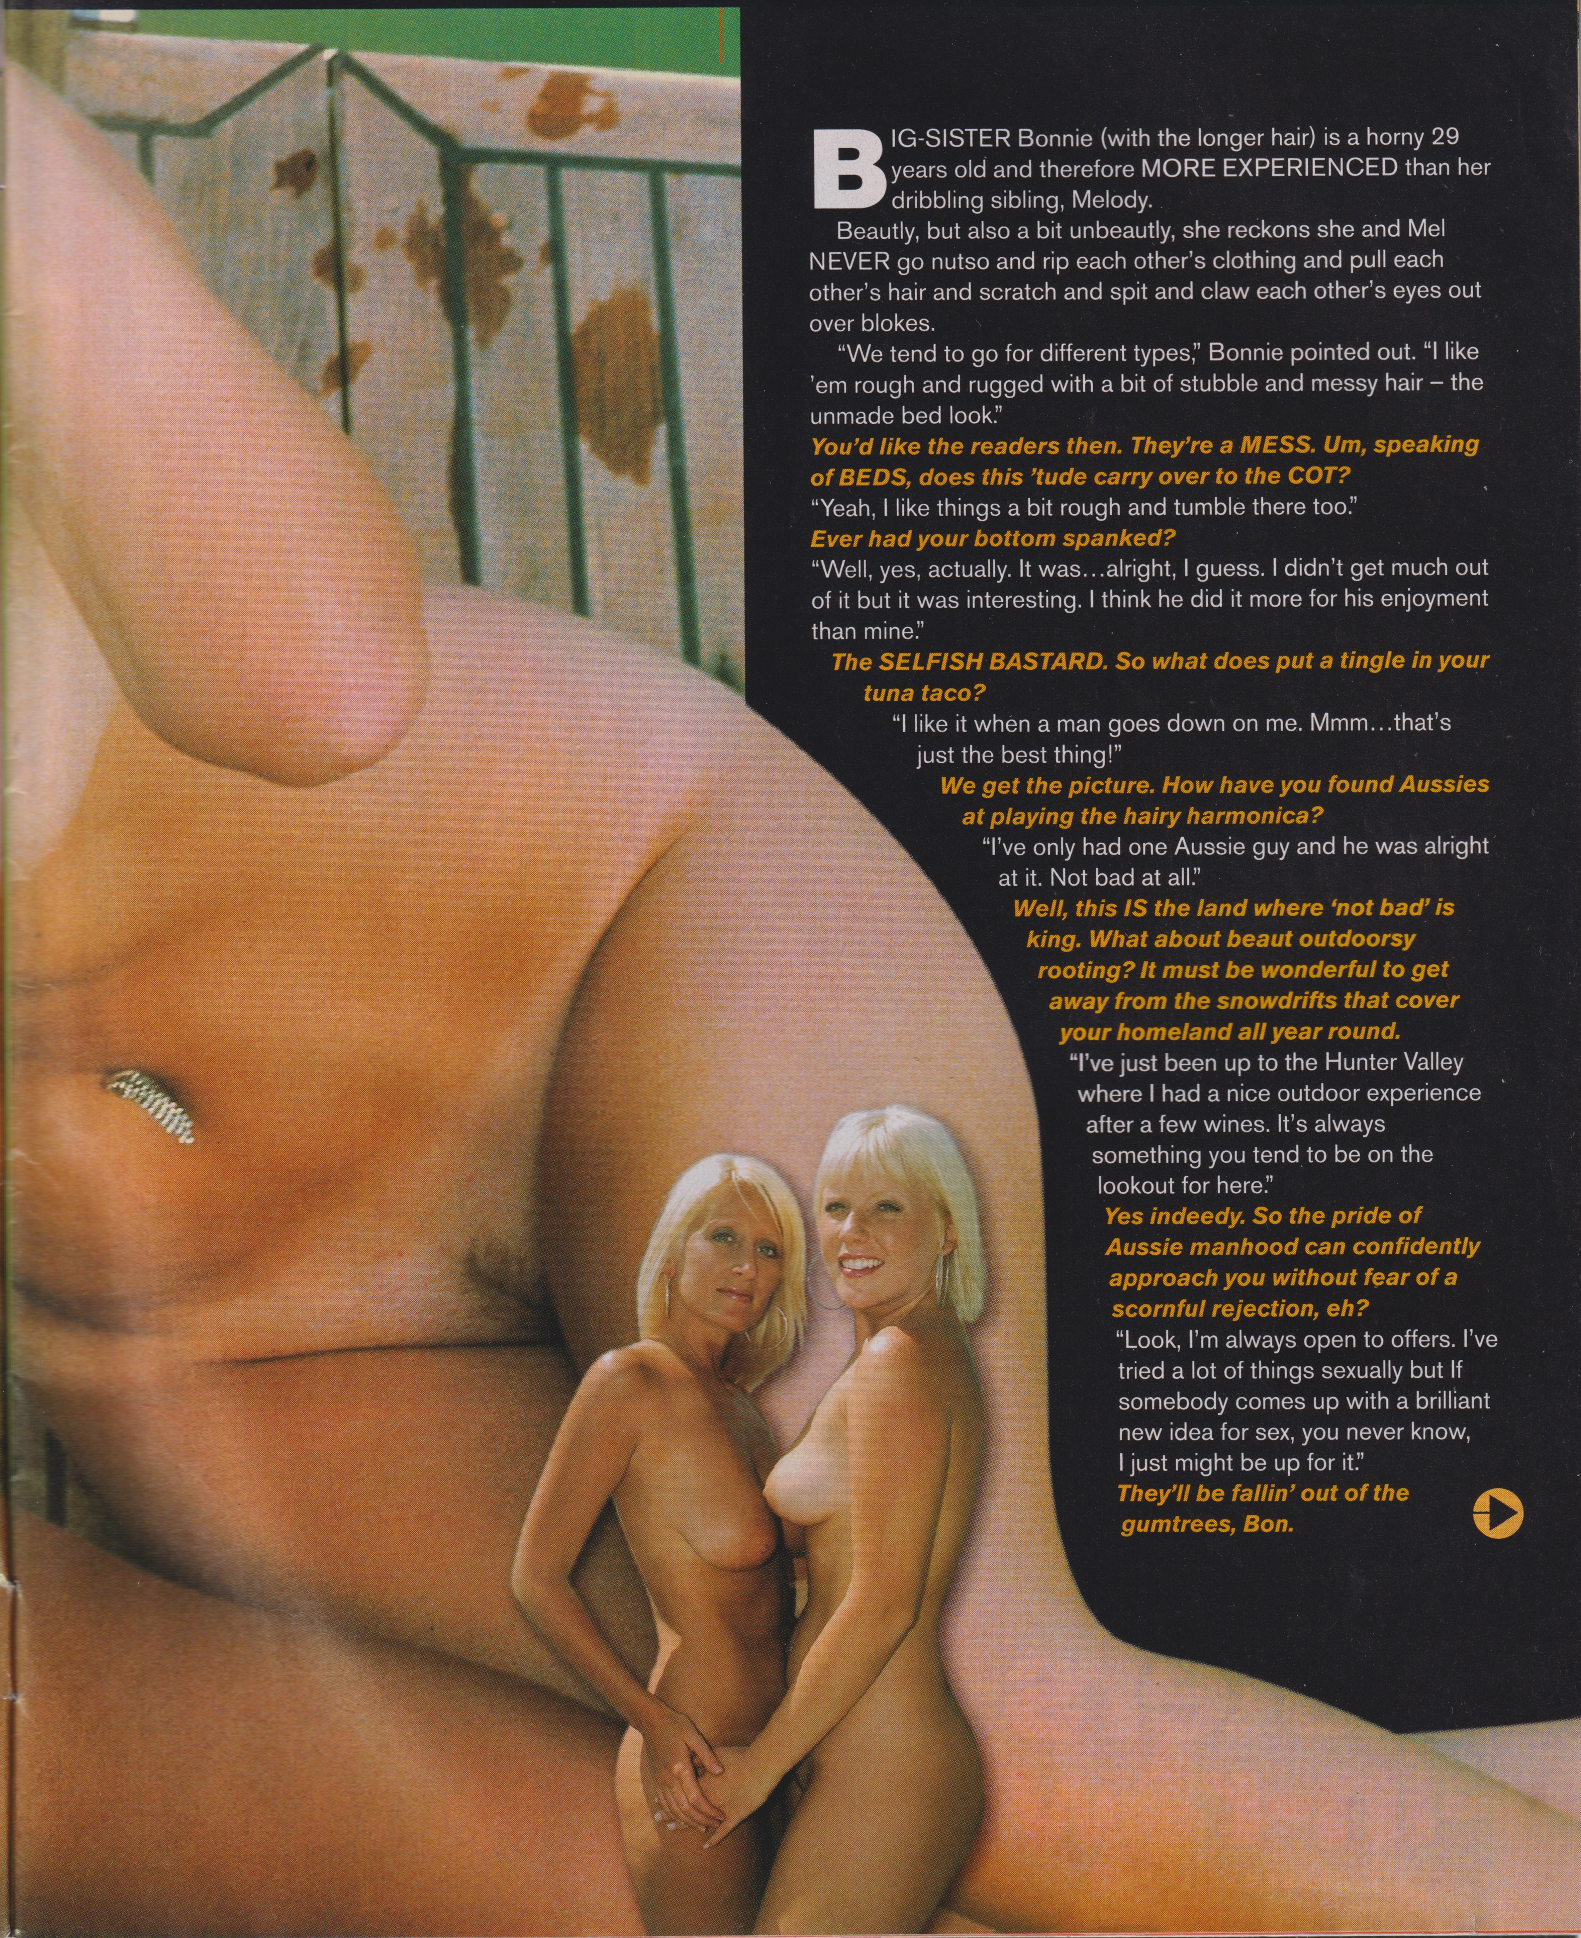
‘I’ve only had one Aussie guy – he was alright’

Sisters -in-raw

Our Bonnie rides over the ocean



BIG-SISTER Bonnie (with the longer hair) is a horny 29 years old and therefore MORE EXPERIENCED than her dribbling sibling, Melody.

Beautly, but also a bit unbeautly, she reckons she and Mel NEVER go nutso and rip each other's clothing and pull each other's hair and scratch and spit and claw each other's eyes out over blokes.

"We tend to go for different types," Bonnie pointed out. "I like 'em rough and rugged with a bit of stubble and messy hair – the unmade bed look."

You'd like the readers then. They're a MESS. Um, speaking of BEDS, does this 'tude carry over to the COT?

"Yeah, I like things a bit rough and tumble there too."

Ever had your bottom spanked?

"Well, yes, actually. It was…alright, I guess. I didn't get much out of it but it was interesting. I think he did it more for his enjoyment than mine."

The SELFISH BASTARD. So what does put a tingle in your tuna taco?

"I like it when a man goes down on me. Mmm…that's just the best thing!"

We get the picture. How have you found Aussies at playing the hairy harmonica?

"I've only had one Aussie guy and he was alright at it. Not bad at all."

Well, this IS the land where 'not bad' is king. What about beaut outdoorsy rooting? It must be wonderful to get away from the snowdrifts that cover your homeland all year round.

"I've just been up to the Hunter Valley where I had a nice outdoor experience after a few wines. It's always something you tend to be on the lookout for here."

Yes indeedy. So the pride of Aussie manhood can confidently approach you without fear of a scornful rejection, eh?

"Look, I'm always open to offers. I've tried a lot of things sexually but If somebody comes up with a brilliant new idea for sex, you never know, I just might be up for it."

They'll be fallin' out of the gumtrees, Bon.

"'Ello, Mum!"

Sisters -in-raw

The Melody lingers on

Bonnie spots our scary erections.

WHERE Bonnie likes the scruffs, 20-year-old Melody goes more for your DAPPER CHAP.

"I like the clean-cut look. A guy in a nice suit, that sort of thing," she quivered wetly.

Um, good. And moving right along, how do you like to be ROOTED?

"I like sex in all sorts of positions but my favourite would have to be doggie-style. It always seems to work for me."

And what's your take on the great Australian cobber-digger-BLOKE?

"You can be a bit too macho sometimes but there are definitely a lot of hotties out there. But I don't think you're adventurous enough when it comes to sex. Sorry."

That's (SOB!) alright. Have you had any great outdoors roots surrounded by taipans and crocagators and suchlike?

"I would but I haven't found anybody to do it with yet! Like I said, you're just not adventurous enough. Seriously, anywhere outside where it's a bit risky I find exciting but nobody has asked me. If anyone out there has a good offer, just let me know."

Do you and Bon ever find yourselves CUTTING each other's LUNCH?

"It's never been a problem. If we fancy the same bloke and one of us ends up with him the other one will just go off and find somebody else."

No sharies then?

"No, we've never shared one. A lot of blokes would like to share us, I'm sure, but it's never gonna happen."

FUCK! Erm...good. ■

LOCAL BLOKE GEARS UP FOR ARMAGEDDON

IF YOU want to scare off JOHNNY TERRORIST this summer, take a leaf out of Robert Wakim's book and buy untold fucking guns.

The plucky four-wheel drive dealer from Sydney has amassed a military arsenal that rivals that of a small Balkan nation.

As soon as we heard about Rob's MUNITIONS STORE we rushed Amie – a beautiful naked spunk – out to his joint.

Crammed into Rob's suburban dealership is a WORLD-FUCKING assortment of deadly treats, including

✡ A Bristol Aerospace Raven missile launching truck
✡ A WWII Ferret tank
✡ Several rocket-propelled grenade launchers, AND
✡ A Tommy gun.

"I've always been fascinated by the military," KOOKY Rob said. "If there was a war I'd be the first to enlist.

"Besides, men's toys are guns and women – and I like my toys! I've spent more than $500,000 on this collection."

When we asked Rob what his fave INSTRUMENT OF DEATH was, he said: "My Desert Eagle [handgun]. It's like the ones Schwarzenegger uses in the movies. It's a beautiful weapon."

Rob's gear might seem mean but he has peaceful plans for it.

"I'm about to open the largest four-wheel drive dealership in Australia. I'm spending $9 million and it's going to be spectacular, with marble throughout. Incorporated into it will be a museum, where I'll display my collection.

"So come on down to 4WD World on Milperra Road, Revesby. Enjoy the guns then buy a four-wheel drive."

But was nude Amie impressed by Rob's TOOLS of destruction?

"All his gear was full-on!" she said. "He had this missile that was three storeys tall. It was quite phallic and I enjoyed that.

"I had no interest in militaria before but now I want to learn more about blowing shit up."

Crikey. ■

WASHINGTON DC BOMBED BY TITS

Pics by www.concertflashers.com

ON THE totem pole of rark and rawl the rock photographer is waaaay down the bottom, just above the guy who scrubs the brascos after everyone's gone home.

But try telling that to Snake, veteran rock photographer, drunk and drug pig extraordinaire.

The deluded, brain-dead fucker thinks all those spunky chicks who get their tits out at concerts are doing it for HIM, rather than in the hope that Tommy Lee will anoint them with some of his rancid, lifeless sprog.

Yet we love old Snake and thusly would like to present the first in what will hopefully be a series of his tit-snapping travelogues across the US.

Unless he carks of a beaut OD first, which is always on the cards.

rock'n'roll

YEAH man, like, I got to the gig, right, and the first thing the security guys did was beat me unconscious, right. Really hard.

But that was, like, cool because I hadn't had any sleep for three weeks. I'd been doing lines of TRUCK PARTS with Lemmy and it kinda got away on me, so the bit of shut-eye was quite welcome.

When I came to I was lying in a pool of (what I hope was) my own urine in front of the stage at the HFStival in the RFK Stadium, Washington DC. AWWRIGHT! Rock on! 'Cos that's where I was supposed to be. Karma, man. What goes around, um…goes around. At least I think that's how Karma works.

Anyway, all the chicky babes recognised me right off. Yeah, 'cos since I started this gig I've become a star in my own right, right, like I'm an artiste, right, and they, like, recognise that.

Anyway, right, they all started to flash their cute little rock babe titties at me even though, like, Eminem was on stage behind me at the time, 'cos they knew I was a righteous dude who hadn't sold out to the man, man.

Sure, a FEW of them were yelling at me to sit down and get my big pimply head out of the way, which was waaaaay uncool, 'cos it's, like, a real bummer having suppurating teenage acne when you're, like, 45 years old.

So I stood on a garbage bin to let my fans see more of me and there

seemed to be this little riot and I got knocked unconscious again.

But hey, I'm used to it. I figured it out once that I've spent more time unconscious than I have actually awake, which is, like, cool. It's just the headaches I can't stand.

Anyway, right, I injected myself with

"Hey, Eminem! My tits are your biggest fans!"

’dugs’n’rock’n’roll

some panda bile just to, like, lift my vibe and even more chicky babes started to flash their little honeydew melons at me.

I was trying to take more pictures but these uncool dudes behind me – The Vines I think it was – were making this unholy racket, and just as I turned around to tell them to shut the, like, fuck up, somebody hit me in the back of the head with a Jack Daniel's bottle and I was knocked unconscious. Again.

But that's cool, 'cos Keef drinks Jack. I'll send some more titty pictures when they take the stitches out.

Peace, dudes.

INDIAN inventor K. Sudhakar won't have to worry about spoofing all over traffic on his motorbike anymore because he's turned it into a CONDOM ON WHEELS.

The moustachioed champ wants to VROOM around India on the bike to promote safe sex.

But it will take him a fucken long time because the pretty PINK machine has a tiny 60cc engine and can only hit 55km/h.

In the past, shaky K. has built cars in the shape of vegetables but he wanted to get REAL.

"I wanted to do something relevant. And what better cause to champion than [dodging] Aids?" he said to *The Times Of India.*

Good work, Mister K. May the pretty houris worship your mighty crimson chopper.

EVER since we decided the cunt wasn't worth winning again, the America's Cup has been SHIT.

But this year's races in trendy Auckland, woolly New Zealand, are quite a bit better following an upsurge in NEKKID TITTERY. Hip hip *spoont!* hooray.

This young lass flashed her lovely bunch of NAUTICALS in support of Team New Zealand before the Swiss took on the Eyeties in a qualifying race.

Her mouth is open so wide…it makes our penises so stiff. Are yours?

Welsh **TUGBY** hero

WELSH spunkleteer Clare Morgan THRUST herself into sporting history with a BOOBULAR streak during a rugby game in clammy Cardiff recently.

As the boofy leek-loving team crashed over for a try against sweaty Fiji, Clare ran onto the field in nowt but a flag and panties.

The crowd, who'd been bored shitless up to that point, clapped their little penis and vagina hands and cheered mightily.

But in a display of utter softcockedness, a party-pooping steward tackled Clare's bosoms and escorted them from the field.

What made the steward's reaction so heart-wrenchingly PATHETIC was that Clare undertook the streak to raise $850 for charity organisation Children In Need.

"I'm a bit shocked that it has ended up in court but I'm glad I've helped Children In Need," Clare wept after being DISCHARGED and fined $155.

Sadly, even tit fame comes at a price, Clare.

Smooing it for the kids.

Nice arse, silly prick.

Chillagoe's HARD

TINY TOWN PUTS FLANGE ON THE AGENDA

THE TROPICAL Queensland town of Chillagoe has been THRUST into the nude spotlight with the release of a horny calendar featuring locals IN THE RAW.

It's all come about as part of a cunning plan to raise a lazy $10,000 to hook up a new electrocardiograph machine for the local SICK BAY.

With the state of country hospitals being A BIT SHIT and everything, local heroes Donna and John Burton took a break from running the local saloon to put together the SEERING calendar, simply called *Chillagoe Couples.*

CRAZILY, this is not the first time the residents of Chillagoe, 250 kilometres inland from Cairns, have stripped off for community cash. It's THE THIRD.

The first time was when the good males of Chillagoe flashed their COCKS for the 2001 *Chillagoe Charmers* calendar. It raised $3000 for a shed to stick their ambulance in.

And last year a stable of farmy fillies stripped off for the stiffy-winning *Chillagoe Chicks* calendar, which raised enough to buy a vital signs monitor for the HORPSPITAL.

So making horny calendars makes people all better and healthy, eh.

Delicious Donna reckons she and John have to flog a thousand of the papery 2003 bastards to get their shiny new ECG machine. And if our RAGING ERECTIONS are anything to go by, they just fucken MIGHT.

A couple of ring-ins this year are bus tour operator Brian Lee and his champion missus, Denny, who trundled over from Cairns to drop their togs.

"We wouldn't normally think of doing this but it's all for a good cause," said excellent Brian.

Let's all pray that Chillagoe's example catches on. That way, as government funding for rural Oz continues to slip into the POOEY MIRE, we soon won't be able to PARK our TRACTORS for all the nudie calendars lying about.

Sweet! ■

IN AUSTRIA, when somebody wants to yack to someone on the next alp they whip out their alpenhorn and give it a good hard blurt.

Titty trouble for L.D.

LIAR, LIAR, TITS ON FIRE

LAST week my boss decided he wanted to feel my tits. He also decided that if I didn't let him, I couldn't work for him anymore. Needless to say I objected and don't work for him anymore. Yesterday on my way to a job interview in a strip club I had my bag stolen while I was on the train. It had the last of my cash in it, which I needed to buy knee-high boots (my uniform). I thought maybe if I sent you a picture of the tits that got me into all this trouble you might find it in your heart to help me. The boots are $230. Anything you could help me with would be appreciated.

L.D., Lithgow, NSW

$50 ***CA$HMAN SAYS:*** *Naughty, naughty boss. You could, of course, have reported him for sexual harassment, taken him to court and sued the cunter out of him. That was always an option. And naughty, naughty thief on train. You could, of course, have not left your bag on the seat while you had a nap in another part of the carriage. That was just darn stupid. And naughty, naughty you for feeding me this bullshit story just when I was starting to have my faith in humanity restored. And that's never easy. So fuck, what do we do? I don't believe you for a second but I do like your jubblets, so have $50 and forget we ever spoke, OK?*

DOG'S BEST FRIEND

A WISE man once told me that to make my poor old cattle dog stop running off when the closest bitch is on heat I should give him a handjob. I thought it was a good idea because whenever he licks his nuts he goes on all day without blowing. But because I have a thumb I could have the top off it in no time. Anyway, I need $120 to retrain him 'cos now he doesn't bring me my thongs, just rubber gloves.

P.G., Clontarf, Qld

$0 ***CA$HMAN SAYS:*** *No wonder he loves you. You serve him his meals, clean up his poos and give him a beaut hand shandy whenever he gets the horn. Fuck, why don't you just marry him? There are times when a man's relationship with his dog enters that realm called 'spooky'. This is one of those times. Please don't write again, I don't want to hear any more.*

OH, SHUT UP!

CA$HY, I'm desperate. Having been overpaid on the social security for the past two years the cunts want me to pay the shit back and of course I haven't got it. I didn't know. Fuck, I just spent it on whatever and now I'm fucken broke and in debt and the shit's coming down. So I turn to you, oh great one, for whatever assistance you can give.

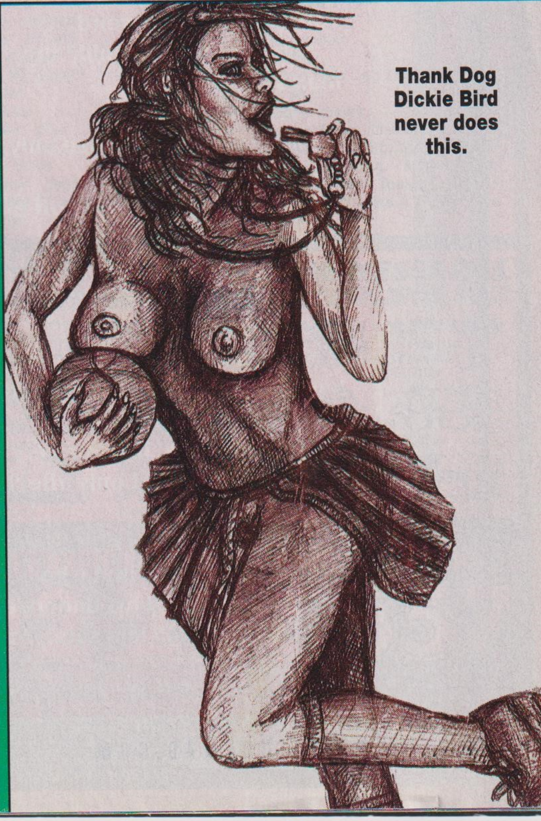
Letter of the Week

HE SHOOTS, HE SCORES

AFTER seeing how successful events such as the nude Olympics can be, I have decided to host a nude netball competition. It will be open for all girls to enter, including chicks from Sweden, Holland and Canada. To ensure the legality of the event it will be held in a cul de sac attached to a nudist beach. I have included a diagram of an umpire for your approval. I am searching for sponsors and was wondering if you would be interested in donating some of your cash to help bounce the event into action. You will be assured a prime seat at the opening ceremony and free tickets to all the matches if you should decide to jump at this once-in-lifetime opportunity.

D.W., Dayboro, Qld

$50 ***CA$HMAN SAYS:*** *Sounds good to me. Although I don't know what you need the money for – team uniforms aren't going to be a problem and I can't see any problems selling tickets. You'll have lezzos on bus trips block-booking hundreds of seats. Oh, and nice thinking about the Swedish, Dutch and Canadian chicks. I'm not sure they play netball in Sweden but that doesn't matter. It's the spirit of competition and the nudity that count. Have $50 for... I dunno, half-time daiquiris or soap or something.*



Thank Dog Dickie Bird never does this.

TWO PRAWNS, Justin and Christian, were tired of being harassed by sharks. "I'm sick of being a prawn," said Justin. "I wish I was a shark. Then I wouldn't have any worries about being eaten."

Suddenly a mysterious cod appeared and said, "Your wish is granted," and in a cascade of bubbles Justin turned into a shark. Horrified, Christian swam like buggery, afraid of being eaten by his old mate.

After a while Justin found himself bored and lonely as a shark. All his old mates swum away and hid whenever he was in the area. He saw the mysterious cod and quickly swam over and begged to be changed back.

In a cascade of bubbles, Justin turned back into the prawn he was.

With tears of joy, Justin swam back to search for his dear old pal.

"Where's Christian?" he asked the other prawns on the reef.

"At home, distraught that his best friend changed sides and became a shark," came the reply.

Eager to put things right, Justin set off to Christian's house. As he opened the coral gate the memories came flooding back. He banged on the door and shouted, "It's me, Justin, your old friend, come out and see me again."

Christian replied, "No way, man, you'll eat me. You're a shark – the enemy – and I'll not be tricked."

Justin called back, "That was the old me. I've changed. I've found cod. I'm a prawn again, Christian."

CRAP OLD JOKE OF THE WEEK

A NEWLYWED couple arrived at a hotel for the first night of their honeymoon. They opened the champagne and started to undress. When the groom removed his socks, his new wife exclaimed, "Ewww, what's wrong with your feet? Your toes look all weird."

"I had tolio as a child," the man said.

"You mean polio."

"No, tolio. The disease only affected my toes."

When the groom took off his pants the bride once again wrinkled up her nose. "What's wrong with your knees?" she asked. "They're all lumpy!"

"As a child I also had kneesles," the bloke explained.

"You mean measles."

"No, kneesles. It was a very strange illness that only affected my knees."

The sheila had to be satisfied with that answer. Finally her husband removed his underwear.

"Don't tell me," she said. "You had smallcox?"

A BUM who'd seen his fair share of hard times approached a well-dressed gent on the street. "Hey, buddy, got two bucks?" he croaked.

The man sniffed and said, "You don't want to blow it on piss, do you?"

"No, sir. I don't drink," said the bum.

"You're not going to throw it away in some card game, are you?"

"No way, mate," said the bum. "I don't gamble."

"You wouldn't waste the money on cigarettes, would you?"

"No," said the bum. "I don't smoke."

The man then asked the bum if he'd like to come with him for a home-cooked meal. The bum accepted eagerly and asked, "Won't your wife be angry if I show up?"

"Probably," he said. "But I want her to see what happens when a man doesn't drink, smoke or gamble."

A BLOKE entered a pub with three ducks under his arm. He dropped them on the bar and went to the bogs. The barman asked the first duck's name and how his day had been.

"Huey," the duck replied. "And my day's been great. In and out of puddles, having a great time."

"And what's your name?" he asked the second duck.

"I'm Dewey," said the second duck. "I've had a great day too. In and out of puddles like crazy, I was."

THE LONE Ranger and Tonto were knockin' back a few coldies at the local saloon when a fella barged through the door and bellowed, "Who owns the fucken white horse out front?"

The Lone Ranger stood up, cleared his gun hand and drawled, "That'd be me. What's it to yer?"

The bloke replied, "Ain't nothing to me, stranger, but that horse is laying down and looks mighty sick."

Sure enough, when the two lawmen went out front Silver was on his side gasping for breath.

"Looks like heatstroke," said the masked avenger to his trusty sidekick. "Tell you what. You run around him as fast as you can. The breeze might help cool him down some. I'll see if I can get some iced water."

As the Lone Ranger stood at the bar the doors flew open again and a mean-looking hombre strode in and called out, "Who owns the fucken white horse out front?"

The Lone Ranger turned, cleared his gun hand and drawled, "That'd be me. What's it to yer?"

"Ain't nuthin' to me," said the bloke. "But you left your Injun runnin'."

"Excellent!" said the bartender turning to the third duck. "So I'm guessing you're Louie and you've had a great day too?"

"I'm Puddles," said the third bird. "And you don't wanna know."

A UNIVERSITY study has proved the kind of male face a woman finds attractive can differ depending on where she is in her monthly cycle. For instance, if she's ovulating she's attracted to men with rugged, masculine features. If she is menstruating, she's more likely to be attracted to a man with scissors shoved in his temple and a cricket bat jammed up his arse.

T.P., Eden, NSW

A SPACE shuttle was launched with two monkeys and a woman on board. Once the shuttle was in orbit, the control centre radioed instructions: "Monkey one! Monkey one to the console!"

The monkey scurried over, sat in front of the console and was told to release pressure in compartment one, increase the temperature in engine four and release oxygen to the reactors.

The monkey adjusted the pressure and temperature and released the oxygen.

A few moments later the control centre called again: "Monkey two! Monkey two to the console!"

Monkey two swung over and settled in front of the control panel. He was told to add carbon dioxide to room four, stop the fuel injection to engine three, add nitrogen to the fuel compartment and analyse the solar radiation.

So the monkey adjusted the carbon dioxide, fuel injection and nitrogen and analysed the solar radiation.

A little later, headquarters called again: "Woman, please! Woman approach the console!"

The woman wandered over and sat down. Before she could receive any orders she blurted out: "I know! I know! Feed the monkeys and don't touch anything!"

Hey, why don't you write to us? Letter writers now receive a T-shirt, stubby holder or pack of PICTURE playing cards! And you get something even if you say we suck! Tell us what you want when you write to: Readers' World, THE PICTURE, GPO Box 5201, NSW 2001. (For shirts, include size and style – nude chick or finger.)

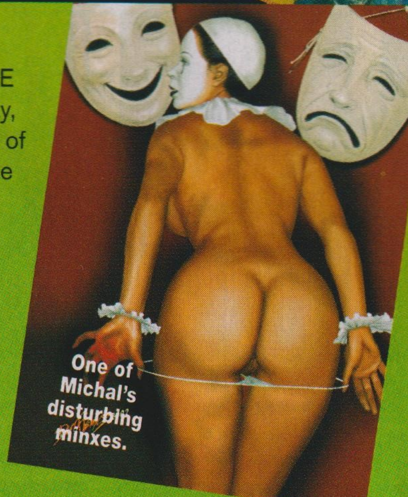
$50 Letter of the Week

OUR BIGGEST FAN

FOR A bunch of wankers, youse at THE PICTURE do a pretty good job. Anyway, I was wondering if I could buy a poster of one of Michal's Minxes. If yes, I want the one from #741. So let me know how much the fucken thing will cost. And while I'm at it, how about trying to get another photo shoot of Paula from #735. She's fucken exquisitely beautiful, mate. Oh yeah, if youse print this, I'll have a deck of cards. If youse don't, then fuck youse, but I'll keep buying your mag every week.

W.M., Rockhampton, Qld

Sadly, we don't offer Michal's Minxes for sale – it's altogether too FUCKING DIFFICULT to organise. So have $50, buy some crayons and whip up a minx yourself, eh. Oh, and Paula sends her love but sadly won't be posing again as she's just joined some cult.



One of Michal's disturbing minxes.

Last seen drinking urine in a Texas bunker.

REGRETS, I'VE HAD A FEW

I'M WRITING to tell you about a man I loved and lost. I am hoping to get it published that he might read it. He was my friend, my ears, my delightful lover, everything I wanted. We spent 10 years together. But I changed. I was abusing him verbally and then eventually hitting him. I don't know why. Our sex life was the best I've ever had. I'd never experienced an orgasm until I rode him. But last week he left. Now I feel sad and lonely and so horny. I only want the chance to say to him I am sorry. I feel ashamed of how I acted. I will always love you, baby, forever and ever.

J.H., Grovedale, Vic

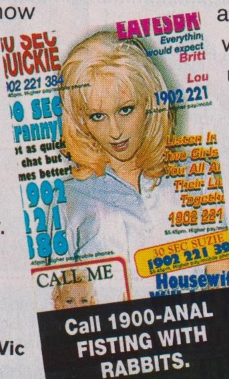
Um...fucking hell!

AD BREAK

IT SHITS me to tears with the amount of ads in your great mag. I don't need to know the number for 1900 BIG TITS and the like. I realise that it keeps your costs down but why not just charge the fuckers more and have fewer of them? Then use the extra space for more great articles and girls. Nothing wrong with that. They'd understand and be happy to pay more.

M.K., Albany, WA

You'd think so, wouldn't you? Sadly, this is not the case. But that's capitalism for you. Besides, you never know – one lonely night 1900 BIG TITS might just save your life...



Call 1900-ANAL FISTING WITH RABBITS.

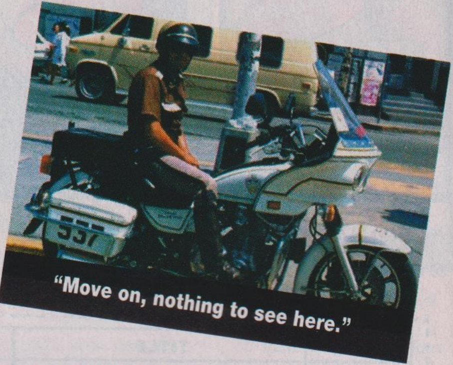
Her bush is well worth one in the hand.

RIGHT HAIR, RIGHT NOW

JUST writing to say how much of a babe Candy is (#742 Home Girls) but we can't see much of her lovely thick bush. How about you make her Homie Of The Week so we can see more of this lovely girl and her beautiful thick fur?

J.A., Newcastle, NSW

What is it with you blokes and hairy vaginas? Is it because they take you back to the 1970s when you used to root some bushy chick called Raelene in the back of your panel van? Or is it because you're secretly attracted to badgers? Either way, we'll talk to Candy and see what we can FUDGE.



"Move on, nothing to see here."

YOU'RE NICKED, PAL

I THOUGHT I would bring to your attention a sly little prick from Toorak, Victoria, who goes by the initials J.S. This person submitted a story to your My Public Fuck section. I read a very similar story by the same person in *People's* Busted! section and he made $100 bucks out of it. All he did was change a few things in his story. I think this excellent bit of detective work is worth a finger T-shirt.

M.M., Nangwarry, SA

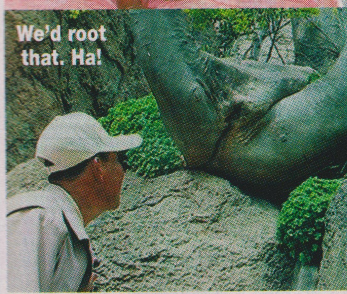
Too right it is, M.M., even though we made the same discovery several weeks before you did. Either way, sneaky J.S. from Toorak has diddled us for the last time. From now on he's barred.

iNTERNUTS

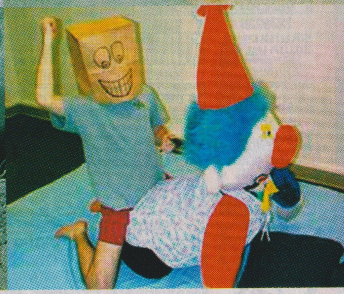
WHEN our American cousins speak loudly of 'pulling a boner' they are not, as you would imagine, referring to masturbating a gentleman's erect penis. Rather, it is an allusion to behaving like a dickhead or in a manner that would amuse, thrill or disgust an independent observer. So there's nothing homo or GAYTASTIC about visiting **www.boners.com**. Much.

This grouse site is run by the good people from **rotten.com** and features a whole MESS of kooky pics of extremely weird shit. They are submitted by punters from all over the world and range from the slightly humorous to the RATHER FOUL. And there are often gratuitous TIT SHOTS just for fun.

So fling the old MOOSE over to **www.boners.com**. But don't tell your mates. They might think you're a LIFTER and start buying you Drambuie.



We'd root that. Ha!



TWO-FOR-ONE SALE

I RECEIVED the cheque from my attempt to find an extra female partner to help my wife and I keep our business and raise the family (Letter Of The Week, #739). I didn't really plan on getting the $50. I would have preferred an extra and compatible female partner. And I don't think your choice of heading – Choose Bigamy – helped when all through your magazine there are numerous suggestions and apparent approval of multiple sex partners in casual flings. I am looking for something more meaningful. Yet your heading attached a distasteful stigma to my request for help. I feel I didn't get a fair effort from your magazine. And by the way, I'll shout the family tea with the $50 you sent.

C.M., Omeo, Vic

We'd hate to think we gave bigamy a bad name, so if there's anyone out there who'd genuinely like to be C.M.'s second wife and raise his kids and run his business and root him meaningfully, write in and we'll pass your letter on.

With two wives, there's just so much more to fuck.

Gripping yarns

BLOOD in the mud

BY MATTHEW BISHOP

IT WAS so pleasant roaring through the Scottish countryside in a rented MG on my first holiday in three years. With a satisfied smirk on my face, I propelled the wee coupe into a tight set of bends then out into a straight. The car suddenly backfired, stalled and glided to a standstill. I was out of petrol!

"How can that be?" I said to myself. "I only filled it two towns back. I knew I shouldn't have stopped at that pub!" I had been fuel-napped!

The pub had been marked on my driving tour but I had an eerie feeling as I pulled up to it. Who'd call a pub The Werewolf Inn and have a picture of a huge wolf attacking a sheep out front? But the locals were hospitable and everything went well – until I made a joke about the sign.

A silence fell over the inn, then an old man started to whisper a tale as though he was afraid of his words. The tale was of a strange beast that inhabited the moor. The story ended with mutilation and a bead of cold sweat down the back of my neck.

I felt so uncomfortable I continued on my journey. The last thing I heard was the old man. "Ach, whatever you do, don't go onto the moor on the full moon," he yelled. "There will be something evil there!"

It must be 20km back to the pub by road but I could see the inn just across the moor no more than two kilometres away.

It'd take me hours to walk back the way I'd come but I figured I could easily walk across the moor in little more than half an hour.

Scary story or not, I headed onto the Scottish moor.

Hours later I cursed the muddy ground and, as hard as I tried, the pub never seemed to get any closer. The sun sank behind the hills and I was on the moor…at night!

A full moon came up a short while later. "Just my luck," I chuckled. "At least I'll be able to see the beast." My words fell dead in the night and a chill crept under my collar. "I think I'll just shut up and get a move on," I thought, and quickened my pace.

A fog sprung up which was soon so thick I couldn't see the inn. Eventually I was in total darkness. It was then I heard a deep howl across the moor.

I quickly decided to practise my jogging in the opposite direction. Again the howl came, this time closer. Wings grew on my shoes as I bolted into the night.

Three strides later I was skidding and spinning on the slippery ground. I jumped up. The howl sounded again. Shit! It was in front of me! I was running straight to it! I screamed and turned wildly.

I could hear it panting as its limbs thundered on the ground. It let out another almighty howl. At that moment I realised my lunch had left me via the back exit and was making its way down my left leg.

I raced in any direction that was away from the thing. It howled again! It was so close I was overcome by the putrid stench of its breath. Something hit me square in the back. I went down face-first. Blood and dirt filled my eyes. It flipped me over. I screamed. Everything went black…

"Would you like another drink, sir?" the beautiful flight attendant asked.

"No thanks," I replied, gazing out the window. The jet banked slowly and I was almost certain I could see the inn. I chuckled as I remembered the events of that night – waking up in that damned inn to their laughter and mocking comments. "Ahh, we got you good, boyo," yelped the barman. "You scream like a girl," screamed the girl. "Eww, ya smell like a polecat," sneered some prick.

That's the last time I go on a holiday with a complimentary mystery tour! ■

"Aching" love

BROOKE'S LOOKS WILL RIP YOUR JOCKS OPEN

THERE'S an old Latvian grandmother saying that tells us "the late-ripening pomegranate is always the sweetest".

Never having been game to eat a pomegranate (they grow in POO), we can't vouch for that statement. But when we apply it to something else – say, NAKED LADIES who make us want to wank – we can start to see what those HAIRY Slavic bints were on about.

Confused? Allow us to explain, using young Brooke here as an example.

At the sensible age of 30, Brooke's a relative latecomer to the world of vagina modelling. But this delay has only allowed her glorious honeyed body to blossom into a magnificent CREAMY testament to the jockette-ruining beauty of the lips-out female form.

And just like that firm, golden pomegranate we were talking about, she's bursting with rich flavour and THICK SYRUPY JUICE that will drip sexually down your face and cock should you be fortunate enough to PLUCK HER.

"I started modelling swimsuits when I was 15," Brooke chirped. "Since then I've worked on the Gold Coast and in LA and Hawaii."

But why, OH WHY, in the name of all that's hairy did you make us wait so long to see your FUFU?

"I guess because the right opportunity never arose. I like things to be tasteful, you see, and that includes me getting my gear off." ▶

'I'm very turned on by the idea of **doing it on the beach**'

Your hand will feel all classy when you date Brooke at

www.picturemag.com

‘I’ve been single for the past six months, so **it’s been a bit of a dry spell**’

What tasteful thing finally changed your mind?

"I did some classy shots for last year's Bad Girls calendar and enjoyed the experience. They were quite discreet, though – you couldn't see anything."

So this is the first time you've shown Australia your snatch in detail?

"I suppose you could say that, yes. I just figured that doing these shots was no different from doing the calendar ones. I also thought it would be nice to bring a bit of class and refinement to your mag with a nice, tasteful shoot."

What are you suggesting? We're already fucking bastard tasteful. Ask any cunt. Anyhow, what's your favourite way to MASH WANG with a bloke?

"It depends who I'm with. I must admit I'm very turned on by the idea of doing it on the beach under the heat of the sun. And if I'm ever in a hot spa with someone I like – look out!"

And does your jet-setting lifestyle leave you much time for dick?

"I've been single for the past six months, so it's been a bit of a dry spell. But I'm not desperately searching for a bloke – I'm going with the flow."

Does any particular type of bloke BUTTER YOUR CRUMPET?

"They have to be honest and they have to be in good shape physically."

Well, we could always lie about our weight... ■

"My wife and I run the Post Office Hotel with our red heeler, Pebbles," John told us. "The missus and I decided to appear as Homies (check out Donna in #747) to raise money for the Chillagoe hospital." *You great Aussie champ, Johnno. What else is on the cards?* "We're bringing out the *Chillagoe Couples* calendar to help raise money." *Yeah, mate, we know. There's a story about it on page 18.* Johnno also told us his cork is ready to pop in order to celebrate his big 50th. *What's your boithday wish?* "I'd like Linda Ronstadt to play at our pub."

Nice chaps, Will. Special occasion? **"My missus likes me to wear them when I fuck her. She reckons they make her hot and horny. She also likes to straddle me and climax over my face. It's sooo nice and juicy."** ***Wacko. Just how huge is your whopper willy, Will?*** **"Ten-and-a-half inches."** ***Golly! How does the missus like to take it?*** **"She likes to lube it up and after a few jabs take it all up her arse." Will, 45, used to be a brickie and rodeo rider until he fucked up his back at work.**

BARRY:

ARCADIA, NSW

"I'm writing a book on my life experiences with the supernatural," this 41-year-old drummer and songwriter said. *Tell us about your spookiest experience, Baz?* "Rooting a ghost named Rochelle – a hot blonde – in a haunted house in Melbourne." *How did you fuck her, mate?* "Through neuro energy, which comes from the mind. I receive signals that make my dick vibrate." Baz also has a gal pal in THIS world and he goes ape when she sucks his helmet. "She doesn't like it when I 'accidentally' blow in her mouth though," he chuckled.

JONO:

MOUNT COOLUM, QLD

"I'm one happy bloke," chirped 33-year-old Jono the fridge mechanic. *Is that 'cos you have a giant knob on the end of yer cock?* "Ha ha! Well, yeah, but besides that I've met the woman of my dreams. She's a spunky Swedish chick who loves to fuck. We met at a fishing comp and we're getting hitched in two weeks." *Congrats! Got a funny peen yarn to share with us?* "My fiancé took a photo of my tool on a friend's camera and the friend, who happens to be a crazy cop, had the photo printed onto drink coasters and then she handed them out at the RSL."

Flappy flappy joy joy

WE ALL have a muse, readers – something or someone we look to for inspiration and stimulation.

For some it's a wife or loved one. For others, cream sherry. Still others draw their creative strength from Scandinavian barnyard porn.

But for the editor of our cousin-in-law flap mag, *Picture Premium*, it's blondes. Preferably nubile ones who are willing to reef their vaginas apart on his high-gloss pages.

It's like a disease with him – but a nice, sexy, penis disease we can all enjoy.

Take 19-year-old Jennifer as a case in point. She's strutting her magnificent blondeness in *Picture Premium* #52, a perfect example of the kind of highly sexual lady you'll find scattered throughout that issue.

Note her creamy skin, plump bosoms and high buttocks. Bear in mind, too, that in *Picture Premium* you'll get to see righteous close-ups of her delicately peeling apart her perky wangina and DIDDLING it with trembling fingers.

In fact, the only reason we can run Jennifer's pics in THE PICTURE is because not ALL her photos feature such HOT WOMBLE ACTION. Every other girl in *Picture Premium* #52 is far too CROTCH-HAPPY for us to feature.

So if you'd like to explore the soft, pink world of beautiful ladies' vaginas – with an emphasis on those of the non-brunette persuasion – march into your newsagent right now and loudly demand a copy of *Picture Premium* #52.

Your testicles will never look back. ■

'Give me an F...'

MY BEST fuck was when I screwed a guy from the local footy team. I was in the cheer squad and we had a rehearsal on the same day the guys had practice. I was taking a shower after rehearsal when Sam came into the changing rooms.

I was the only girl there. He looked a little sheepish and said the men's showers were full and he thought he might use the women's if they were empty. I told him I didn't mind if he wanted to come in with me as he was fucking sexy and I'd fancied him for months!

I was all soapy and washing my hair when I looked over and saw he had a huge stiffy. His cock was amazing, it was so big. He was looking at me and I smiled and asked him to soap my back.

Sam soaped me up then cupped my tits in his hands. I started to moan and touched his handsome dick. I dropped to my knees and took his length in my mouth, slurping loudly. I licked and sucked that enormous cock like my life depended on it, devouring inch after inch.

Sam pulled me up, turned me round, grabbed me by the hips and pressed my face against the tiled wall. He slid in from behind and slowly worked his penis in and out of my cunt. I got so hot I was squealing with pleasure. Sam shuddered and spoof exploded inside me. I came so much I thought I would collapse.

It was the hottest fuck I've ever had and one I'll never forget. I always look forward to squad rehearsals now!

J.W., Sydney, NSW

'I LICKED AND SUCKED THAT ENORMOUS COCK LIKE MY LIFE DEPENDED ON IT'

SURFiNG the chocolate wave

ME AND my fiancée were moving yet again. We had most of the house packed up and the kids were with my mother. My fiancée had bought herself some lingerie as a going-away present.

She told me to sit down and close my eyes. When I opened them, she was standing in front of me, looking gorgeous. After undressing me, she sucked my cock until it was hard as a rock. Then she stood up and lowered her dripping smoo over my pole.

There was a mirror behind her and I watched my shaft slide in and out of her creamy cunt. It looked amazing and it was really getting me off.

I started slapping her arse. "Oooh, harder," she cried, then she pulled herself off my peen and moved forward a bit, slowly easing my muscle into her hot, tight arsehole while I watched it all in the mirror.

Squeezing her hips hard, I pushed her up and pulled her down so my penis slid in and out of her puckered pink ring. Her rectum squeezed my member tighter and tighter as she approached orgasm.

I couldn't take it any longer. While still inside her beautiful arse, I lay her down on the floor. I put her legs over my shoulders and pumped her until my tool spewed up a torrent of spoof into her dirt chute.

We didn't sleep a wink that night. We made love until morning and it was one of our best fuck sessions ever.

J.B., Rockhampton, Qld

Indoor **TOOL**

I'D BEEN seeing Nikki for two days. After the pub she took me to her sister's place for a swim in the indoor pool. As it turned out, Sharon was a sexy spunk with loose-fitting hippie clothes.

I was undressing Sharon with my eyes when Nikki said she had to go back to her mum's for something. She suggested I stay for a swim and said she'd pick me up later.

I got in the pool and Sharon asked if I wanted a drink. I told her I did. She went off to the kitchen and came back with a glass of Jack Daniel's in one hand and one of her breasts in the other. She was totally naked.

She told me she wasn't shy and loved to skinny-dip. Then she dived in and, in one movement, pulled down my shorts and flopped my old fella into her mouth. It was fucken unbelievable and I almost spoofed straight away.

She came up for air and asked if I wanted to fuck her. I started to kiss her and she swung her legs up around my back, lowered herself onto my fat and we started to fuck.

I put her up on the edge of the pool so I could see her horny shaved twat. I licked until she came then finished fucking her doggie. It was my first fuck in a pool – what an introduction!

Sharon said she wouldn't tell Nikki 'cos we were drunk. Sharon is now pregnant and Nikki dropped me when she found out what happened. I am still fucking Sharon in her pool and it's OK.

B.L., Devonport, Tas

Outdoor **MISADVENTURE**

I HAD my best fuck a few weeks ago at a local swimming spot. My fiancé took a few photos of me laying about in a G-string with my boobs out.

I teased him for half an hour or so by sucking my norks and rubbing my clit without letting him touch me. He was saying filthy shit to me about my tits and cunt and what he wanted to do with them, egging me on as I whipped my pussy into a creamy frenzy.

I could see he was getting hard by the growing outline of his cock in his shorts. I'd had my fun, now it was time to get down to business. I told him to get his gear off so I could suck him. In a flash he was naked and lying back with my lips wrapped around his cock.

I couldn't contain my desire any longer and jumped on top of his tool. I rode him like never before. I was like some sort of insane nympho cowgirl, bucking furiously as his pubic mound ground against mine. He grabbed my titties and squeezed my nipples hard, which made me wince.

After a series of intense orgasms I told him to give it to me from behind. He fucked me hard and he fucked me fast until, with an almighty moan, he blew his hot, sweet jism all over my arse.

Apart from pondering a nude parachute jump, 21-year-old Bree told us she likes women. "I'm dating a man but I like doing it with another girl. I've had threesomes too." *What do you like most about women?* "I like looking at tits." *How about touching them?* "Yeah. I'm fascinated with all the parts on women." *Us too! What's the funniest root you've had?* "When we had a conversation during sex." *What were you talking about?* "Life in general." *Did it hit the spot?* "No." *Do you like talk during sex?* "It depends on what's said. I like a bit of dirty talk but not conversation."

JANINE:

NEWCASTLE, NSW

Janine's proud of her tits and so are we (although ours are hairy man boobs). "I'm 41 and they still look good," she whispered. *Too right they do! Is there anything special you do with them?* "No but I like them being touched." *By men or women?* "Men." *What else do you like?* "Watching porn turns me on and I have a randy spot on the back of my neck." *We have one on our pink bells. How would a man go about pleasuring you?* "I like fruit with cream. And being touched all over is nice." *That sounds like a lot of fun. Thanks for your time.*

LISA:

SYDNEY, NSW

Beautly, 24-year-old Lisa is the IDENTICAL twin of Naomi on page 80. But, unfortunately for our groaning cocks, she has a boyfriend and she doesn't do rude things with her sister. Instead, she likes dancing, drinking and riding motorbikes. *What do you do on the piss?* "It's more like what *don't* I do." *Tell us!* "I've had sex in *very* public places and I'll leave it at that." *Ever been caught?* "Yes…but not by anyone I know." *Details, please.* "It was at a park. People were walking through and they saw us." *What are some things you'd get a guy to do in bed?* "Go down on me and wear cowboy boots."

RACHELLE:

BRISBANE, QLD

"I'm single and looking," pretty Rachelle, 21, giggled down the line. *What turns you on?* "A gentleman and fantasies. You know what the mile-high club is?" *Yeah.* "Well, that and ultraviolet lights." *Did you say ultra-violent fights?* "No, ultraviolet lights…so all my piercings glow in the dark." *How does your PIERCED CLIT affect your sex life?* "It's made sex 10 times better. It rubs the right spot, especially with toys. Oh! I have a funny story for you! I was pulled over by the cops for speeding and I didn't have my licence, so they searched my car. I had this bag with about 20 vibrators in it. They weren't very nice to me at first but once they found the bag they were awfully nice." *We bet they were!*

PHOEBE:

PORT DOUGLAS, QLD

Hey, cute babe! Got any hobbies? "Heaps. I like water sports, kite-surfing, clubbing and having a good time." *How about sex?* "I like passionate, physical, robust sex. You have to be in it for the distance." *Have you got a favourite possie?* "Doggie – it hits all the right spots." *Tell us about the raunchiest thing you've done.* "It was having two men with no penetration. One was masturbating in front of me while the other was going down on me. Unfortunately we weren't able to finish." *What happened?* "A roommate walked in. We asked her to join in but she didn't want to." Phoebe's 25 and has just made you spunk up in your jeans.

LIZZY:

LAPPA, QLD

Lizzy's 37 and was a Home Girl about 11 years ago. *What do you get up to for entertainment?* "Cooking and anything to do with the bush." *You mean vaginas?* "No, I mean fishing or hunting or whatever." *What do you shoot?* "If you're up in north Queensland you normally shoot pigs and fish for Barramundi." *Yeah, show those pigs who's boss! How come you're in Homies again?* "Someone at the pub talked me into it. Our pub up here is 100 years old and it's the only bar in Australia that's BYO." *That sounds like a great place to visit!* "It is."

MAX:

NOOSA, QLD

Max is 29 and ROOLLY intellectual, eh, being a published poet, writer and artist. "I paint, I sculpt, I travel and educate myself and I work with the environment." *Are you seeing anyone?* "I'm dating." *A man or a woman?* "You figure it out." *Nah, too much trouble. What gets you hot in the puss?* "Intelligence, wit, deep eyes, man boobies and a firm tongue." *What do you like about man boobs?* "The way they fit perfectly in my mouth. I just want to touch them. Maybe it could be woman boobies as well." *Do you like women too?* "I'm an artist – I love all beautiful bodies." *When you were talking about man boobs, were they fat or sculpted muscle?* "I like the sculpted boobies. I find health a big turn-on." *Cough, splutter, WHEEZE!*

TAMARA:

SURFERS PARADISE, QLD

Nineteen-year-old Tam gets paid to walk around and tell peeps how ace certain nightclubs are. "I'm a promo girl," she spruiked. "It's pretty good fun." *Does it turn you on knowing people are going to see you nude in THE PICTURE?* "Yeah!" *What other fun do you have with your clothes off?* "I like being on top and in control but any other position is good." *What makes you horny?* "A guy who knows what he's doing." *Which is?* "I like it when a guy goes down on me – that's really good – and I like it when he tries to please me." *Ever been busted?* "When I had a threesome with two guys and a friend of mine walked in." *Whee!*

ANNALYSE:

SYDNEY, NSW

Annalyse is 22 and recently moved to Sydney to study excellent tourism. *Nervous about bein' seen NAKEDLY?* "It turns me on a bit actually." *Is there anything else that gets your smoo all tingly?* "Fast cars, good-looking guys and that's about it." *And once you're warmed up?* "I like to play around and stuff. I like any position." *What do you play with?* "I like my dildo." *Is it BIG?* "It's about eight inches." *How very beaut! Tell us some raunchy stuff you've done.* "I've done it in the car, on the beach, around the house and in a nightclub on a pool table. It was after hours and there were people about but they were doing the same thing."

NAOMI:

DARLINGHURST, NSW

When we spoke to Naomi, 24, we asked her what she thought of her twin sister Lisa (on page 78): "Just say she's a great, sexy sister." ***Too right she is! What sexy things do YOU like, tender Nome-Nomes?*** **"Motorbikes and a sexy guy."** ***Do you have a sexy guy at the moment?*** **"No, I'm on the rebound. But I'm going out on dates all the time."** ***How would a fella go about picking you up?*** **"First get rid of the guy I'm with then buy me a drink."** ***And in the boudoir?*** **"I love playfulness and I like…well, I wouldn't say full-on bondage but I like using ties. And I have been known to use a whip."** ***Eek!***

HOME GIRLS

TAYLAH:

CAIRNS, QLD

Taylah's 18 and wants to dance and strip for a living. *Have you been practising?* "Yeah, but not in front of an audience as such. I've stripped for a few guy friends." *Bet they liked that!* "Yeah. One guy really wants me to get into it – he thinks I'm great at it." *We bet you are! What do you like in bed?* "I've only recently discovered the doggie-style position. I never really wanted to do it but now I love it and I love doing it in different places." *Where have you done it?* "I met a guy on a train from Cairns to Brisbane and we ended up in the showers." Taylah also told us she'd dreamed about doing it with a woman the night before we rang. Oops, we just spoofed again!

VERITY:

ST KILDA, VIC

Verity's 21 and is over from funny London. *What makes a Pommy girl send her picture into Home Girls?* "I saw the mag and I haven't got a problem with nudity. I don't mind showing off my body as I think it's quite nice." *So do our eyes! What do you like most about it?* "My boobs." *How do you keep 'em looking good?* "Just plenty of men playing with them keeps them nice and pert." *What sort of guy do you go for?* "Men in uniforms turn me on. So do nice bodies, a good sense of humour and cheeky-looking men. Aussie men are quite nice." *Have you been lucky with any?* "A few, yeah. They were quite nice. One was a few days ago actually." *CHAMPION!*

SANDY:

MELBOURNE, VIC

The last time Sandy was a Homie she declined to show us her beautiful smoo. But the 47-year-old spunk has rectified that problem, hence her wingle is exposed for your delectation. *Are you still a NUDIST?* "I sure am." *Do you ever get horny when you're around other nude people?* "Nah, it's a part of our lifestyle and we've been doing it for years." *What gets you going?* "My husband. He's very romantic." *Tell us some romantic stuff you've done.* "He went off a waterbed backwards." *How did that happen?* "We were moving around a bit too vigorously. It was very funny at the time and he didn't hurt himself." *We're glad he's alright.*

KATTRINA:

SOMERSBY, NSW

This 31-year-old and her partner read THE PICTURE all the time, so she figured it was high time she became ONE OF US. *What d'ya do for a crust, sweet rabbit?* "I'm a leather worker." *What stuff do you make?* "Heaps of B&D gear, belts, hats, whips, boots and all sorts." *What's the weirdest thing you've made?* "Probably a male G-string with studs on the inside." *Yes and it was very nice too. Are you into B&D?* "No but my other half has put hooks in the ceiling, so I think he's interested." *What turns you on?* "A nice hard cock." *What do you like to do with one?* "Have it fuck my mouth – you wanted to know the truth."

TERESA:

SOMMERVILLE, VIC

Teresa might be married to a MAN but she told us she likes to get funky with a lady from time to time. "Having a threesome with my husband and another woman is such a turn-on," the 28-year-old told us. "I go down on her, she goes down on me – but I don't want her to touch my husband. I don't let her." ***Really?*** **"It's a bit unfair, isn't it?"** ***You could put it that way. How does he take it?*** **"I guess he's just happy to be there."** ***What do you like UP THE BED?*** **"I like my husband going down on me and being rough with me. I like him to hold me down and penetrate me hard."**

GEORGIA:

BRISBANE, QLD

This sexy 24-year-old is from Switzerland, where Deep Purple recorded *Smoke On The Water* in 1971. *Tell us some sexual stuff you like?* "I'm into anything… but I don't want to see my fiancé with another woman." *It's OK, Georgia, neither do we! But does that mean threesomes are out?* "They are if it's with another girl. My fantasy is to be having sex with two guys on a beautiful beach during the day so I can see everything." Georgia told us she came close when she had a beaut orgy. "It was three girls and three guys. We were on holidays. We started drinking and talking and found everyone had the same fantasy. So we did it."

HOME GIRLS

IESHA:

MELBOURNE, VIC

This 25-year-old is studying to be a teacher's aid, which we think is lovely. She also likes to swim, ride the occasional horse and go for long walks on the beach WITH HER MAN. "And for fun I like to go out nightclubbing," Iesha said. *What might we catch you doing?* "Heaps of things I shouldn't be doing." *What fun do you have with your clothes off?* "I won't answer that one but I did have fun doing the photos." *What turns you on?* "My man." *How?* "The way he touches me." *Which is?* "In certain places." *Like?* "My chest…my arse…" *Anywhere else?* "Yeah but I'd rather not say."

SO BEAUT WE HAD TO RUN IT

ANGELIQUE:

ADELAIDE, SA

This tight-bunned 26-year-old fitness instructor reckons her tummy is her best asset. "I have good abdominals," she told us. *What do you like most about a guy?* "Eyes, hands – someone who's willing to do anything. A bit of an extremist." *Do you like the bedroom action to be EXTREME?* "I like to try anything in as many locations as possible. A good old striptease for my partner is good – I'll flirt with him all day and draw it right out." *Where would be your favourite place to have SEX?* "I don't know if it's really wild but I like to do it out in the workshop. It's where all the toys like the bikes and sports gear are."

HOMIE OF THE WEEK

Pics by Ian Dare

Jaimee:

ADELAIDE, SA

Despite the fact this highly SEXABLE 19-year-old has recently broken into the exciting world of vacuum cleaner sales, she's keeping her options wide open. "I'm not too sure what I'd like to end up doing," she BUBBLED down the phone. "But I'd definitely like to do more modelling. I love the camera!" *And we love your bosoms. Why does DEPANTSING appeal?* "I love to pose and it makes me feel good about myself." *You like sex much?* "Yes – and I particularly like it when I'm bent over in the shower. I can't tell you why, it just feels good." *What else turns you on?* "I've been experimenting with toys and I'd also like to experiment with another girl. I've spoken with a few who've done it and they've all been really positive." *Yes, there's certainly nothing wrong with licking puss.*
